Today we cannot make profound generalizations about "Lake Shore People." They are far more unique and individualistic than they are uniform and categorical. "Lake Shore People" do not dress alike, talk alike, play or study alike. Their real interests are widening and their concerns are real. The "Lake Shore People" and their concerns are today's story. And the *Shorian* is interested in its telling. That's what this book is about.

The yearbook staff would like to express its gratitude to Mr. Anderson. We would like to dedicate this book to him. He has spent more time and thought on this edition of the Shorian than all of us put together. Each deadline was met, each ad was sold, and each picture was taken due to Mr. Anderson's efforts. Thank you, Mr. Anderson, for putting up with us for a whole year, for helping us with our jobs, and most of all for the friendship you have given us. None of us will forget you.

This year's tennis team, coached by Mr. Oberlin, had a 0-8 won-loss record. Mr. Oberlin accounts the team record to not having enough experience among the members of the team. Next year the team promises to increase in potential as they become a squad of seasoned veterans.

highest high!

in time of daffodils (who know
the goal of living is to grow)
forgetting why, remember how

in time of lilacs who proclaim
the aim of waking is to dream,
remember so (forgetting seem)

in time of roses (who amaze
our now and here with paradise)
forgetting if, remember yes

in time of all sweet things beyond
whatever mind may comprehend,
remember seek (forgetting find)

and in a mystery to be

forgetting me, remember me

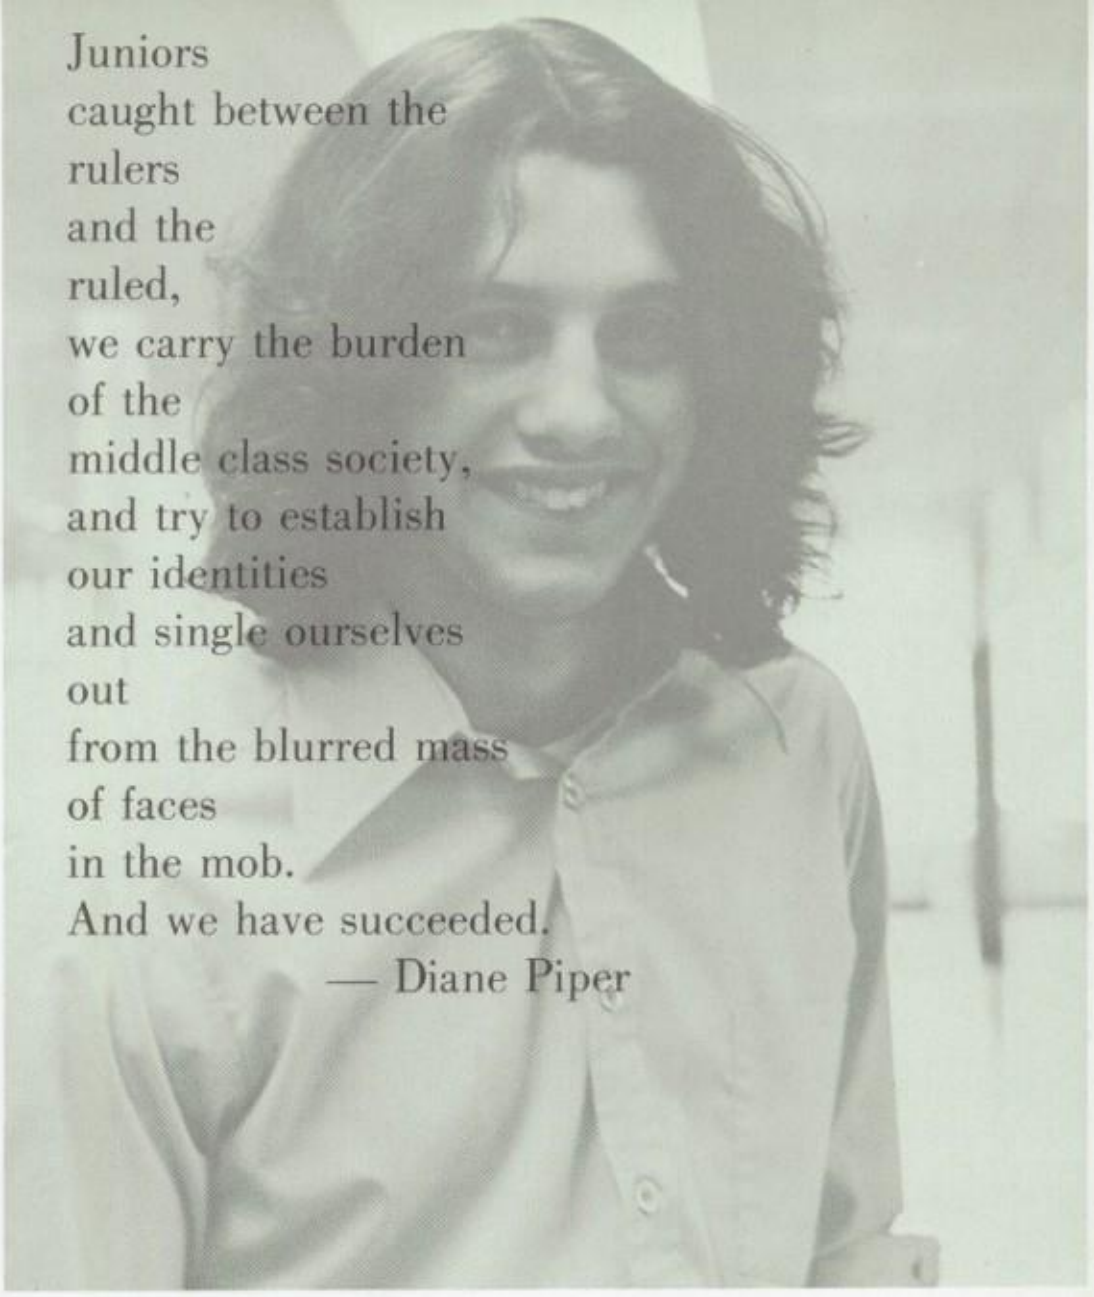
# JUNIORS



Juniors
caught between the
rulers
and the
ruled,
we carry the burden
of the
middle class society,
and try to establish
our identities
and single ourselves
out
from the blurred mass
of faces
in the mob.
And we have succeeded.

# ...and We've Got 'Em!

Junior Class Student Congress: *(l. to r.)* Tina Gennari, Linda Carollo, Jerry Gingrich, Robin Maison, Kathy Patricca, Mark Procida and Julie McLaughlin. *Missing:* Dave Morgan.

Junior Class Officers: *(l. to r.)* Secretary, Nancy Johnson; Vice-President, Robbie Lang; President, Cheryl Vuia; Treasurer, Laura Holler.

To Our Junior Class:

Youth is not a time of life, it is a state of mind. It is a temper of the will, a quality of the imagination, a vigor of the emotions, a predominance of courage over timidity, of the appetite for adventure over the love of ease.

Nobody grows old by merely living a number of years; people grow old by deserting their ideals. Years wrinkle the skin, but to give up enthusiasm, wrinkles the soul. Worry, doubt, self-distrust, fear and despair — these are the long, long years that bow the head and turn the growing spirit back to dust. Whether seventy or sixteen, there is in every being's heart the love of wonder, the sweet amazement at the stars and the star-like things and thoughts, the undaunted challenge of events, the unfailing childlike appetite for what next and the joy and the game of life.

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. So long as your heart receives messages of beauty, cheer, courage, grandeur and power from the earth, from men and from the infinite, so long are you young.

# *Munch a Lunch*

THEM TUMMY GUMMERS

How about Them Tummy
Gummers,
Ain't they dummies?
Havin' they fun
Gummin' them tummies.

Gummin' them paunches,
Outta they mind,
Runnin' 'round shoutin',
"It's Tummy Gummin' Time!"

Look at Them Tummy
Gummers,
Lurkin' in the yard!
Waitin' for a jelly-belly,
Catch it offguard.

How to be a Tummy Gummer?
No way to shun it.
Grab an abdomen,
Roar off and gum it!

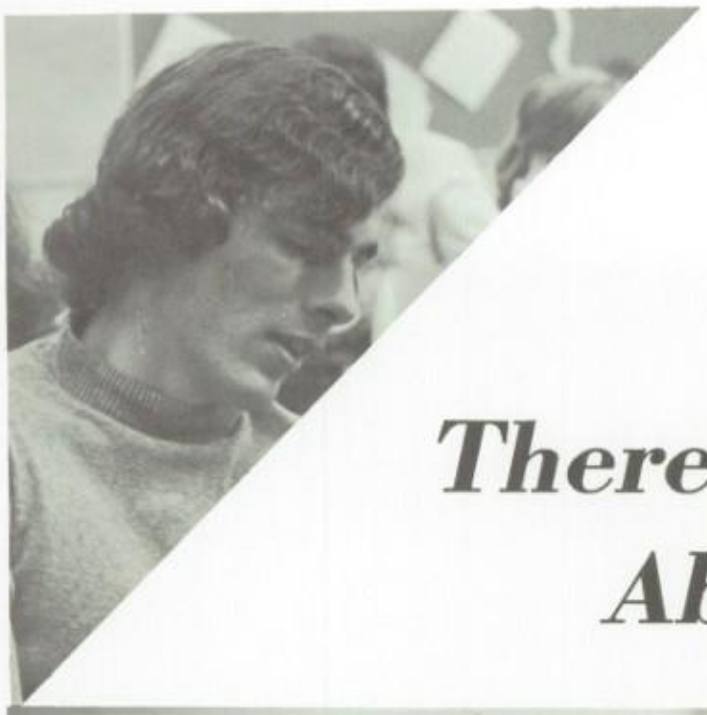
# *Juniors — Just Buzzin' Around*

# *The Best Kind of People?*

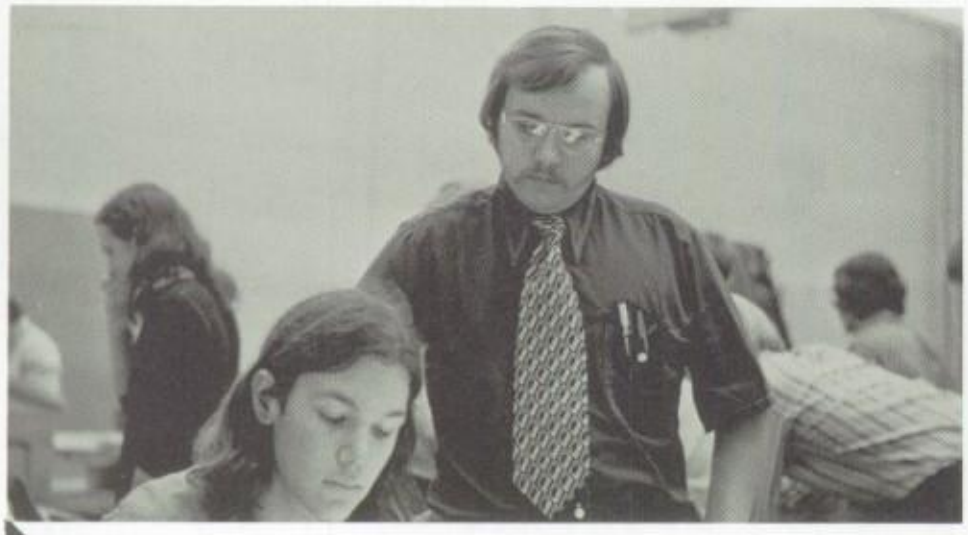
"You Axed For It" — Junior float motto — accompanied Laurie Oke on the float's way to the judging stands.

Kim Laenen escorted Kim Shingler — one of the members of the Homecoming Court — during an exciting evening.

Colleen Bown was another representative on the Court. She was escorted by Dave Amato.



# *There's Something Nice About Everyone!*

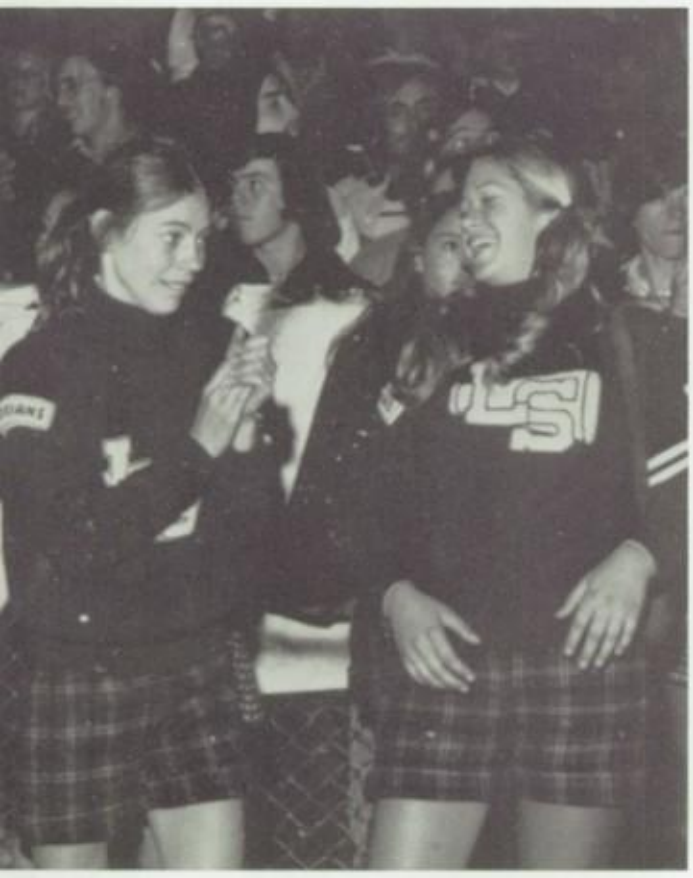


Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
at all the times you can,
to all the people you can,
as long as you ever can.

John Wesley

# *In the End, People Are Great!*

Years from now
I'll remember these times-
The glad and bad times-
The joyful times of happiness.
But most of all,
I'll remember those
Who made that time special-
The people of my
Youth.



There is a
Time
To be
Sane,
    Rational,
And logical.
There is
    Also a
    Time
To be
    Insane,
Irrational,
And illogical.
This is
    That time.

# SOPHOMORES

First year in high school,
a time to be.
Living, giving, going and skipping
to see what you can see.
Silly sophomores in the halls
ready for jobs and money and cars.
Finding a new world at the same time
they search for who they are.

— David James

# *Sophomore Representatives*

The Sophomore class officers are Mark Wells, President; Amira Keilani, Vice President; Karin Essen, Secretary; Kim Cuzzocrea, Treasurer.

The Sophomore Student Congress members are: *(left to right)* Faye Yoe, Randy Hinz, Toni Peraino, Nickie Peraino, Paula Denolf, Ted Mazur and Bob Hensley.

Heidi Campbell and Faye Yoe were the Sophomore members of the Homecoming Court.

# *Beginning Again*

You're 15 years old and in the 10th grade at Lake Shore. That's what you just told your Aunt Barb, but what does that mean? Is it any different from being 14 years old and being in the ninth grade? You say that high school will be just like junior high. I guess you're right, but, have you ever shared a school with 2300 other people? have you ever gone to a homecoming dance? have you ever gone to a sophomore class float meeting? have you ever played sports on the same team with an old arch-rival? have you ever been in classes with people one and two years older than yourself? have you ever been teased about being a sophomore? have you ever had over 2000 potential friends? If you answered yes to all of the above questions, then high school will be just like junior high. But if you answered no to one or more questions, then the first day of school is the beginning of a whole new experience.

The Miracle of Life

The complicated red fuel
recycling through-out
the protective flesh,
Strong, fiberous muscles maneuvering
the slow marrow-filled structures.
at an impulse from the
computer-like, grey control center.
The detailed, hinged, digits
evermoving, grasping, holding.

The Miracle of Life —
Take advantage of it,
Use it wisely,
Appreciate it.

## Never Is Forever and Ever

"Forever and ever" is a long time to say
But "never" is even longer away.
Never seems like forever and ever
'cause never is forever and ever away.
Never say forever and ever
'cause forever may never be like it is today.

I knew that all the hun-
dred thousand
pieces of life's game were
in my pocket.
A glimpse of its meaning
had stirred
my reason and I was deter-
mined to begin the
game afresh. I would
sample its tortures

once more and shudder
again at its
senselessness. I would
traverse not once
more, but
often, the hell of my in-
ner being. One day
I would be a better hand
at the game.
One day I would learn how
to laugh.

People and Togetherness
Friendship
It's togetherness
Whether in gay or troubled times
It's human touch
Skin upon skin
White or black
Friendship
It's being able to
Confide in someone
And have them understand
It's being reassured
When you're scared.
Friendship
It's a warm smile
And a good morning
When you're downhearted.
People make friendship
Work.
Without people
You would have no need
To have
Friendship

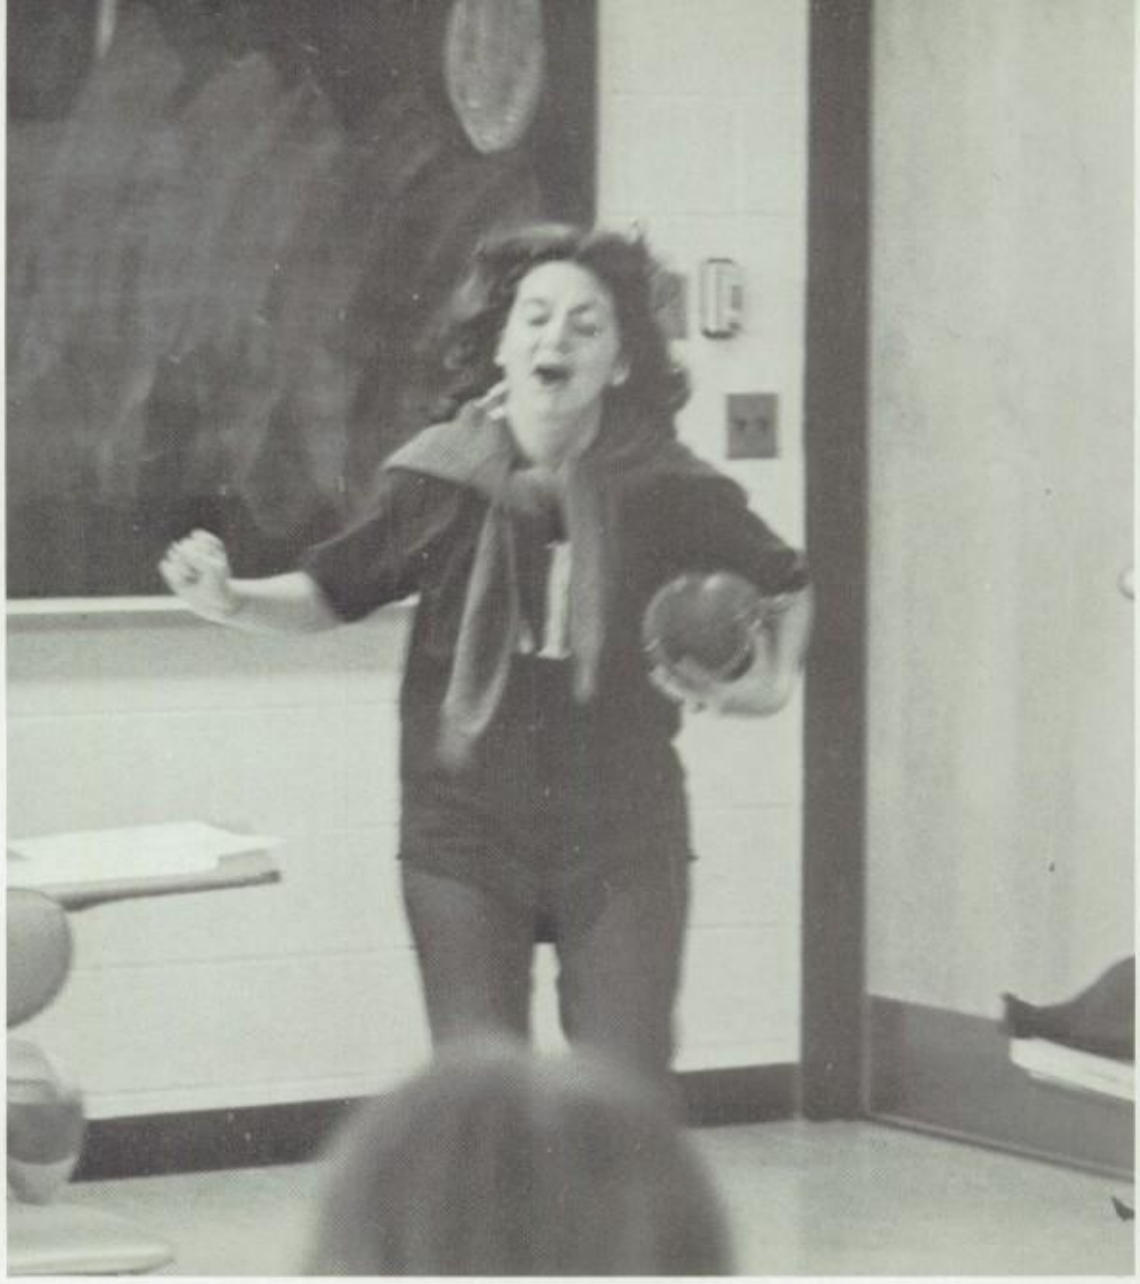
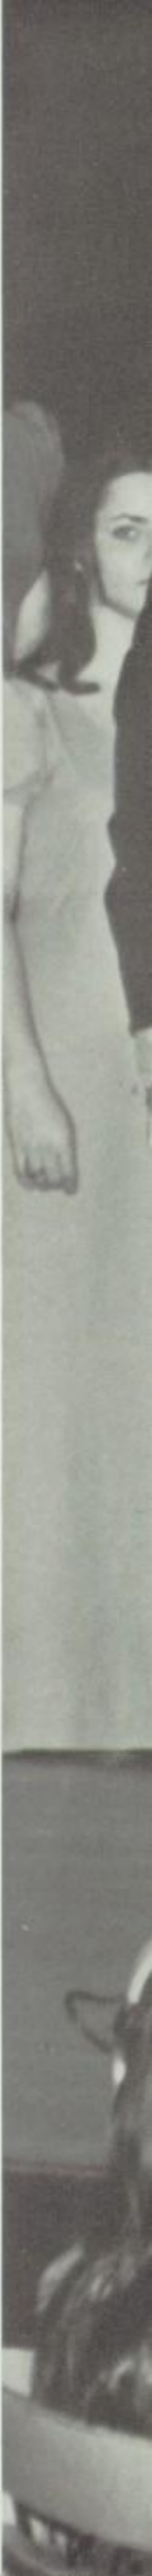
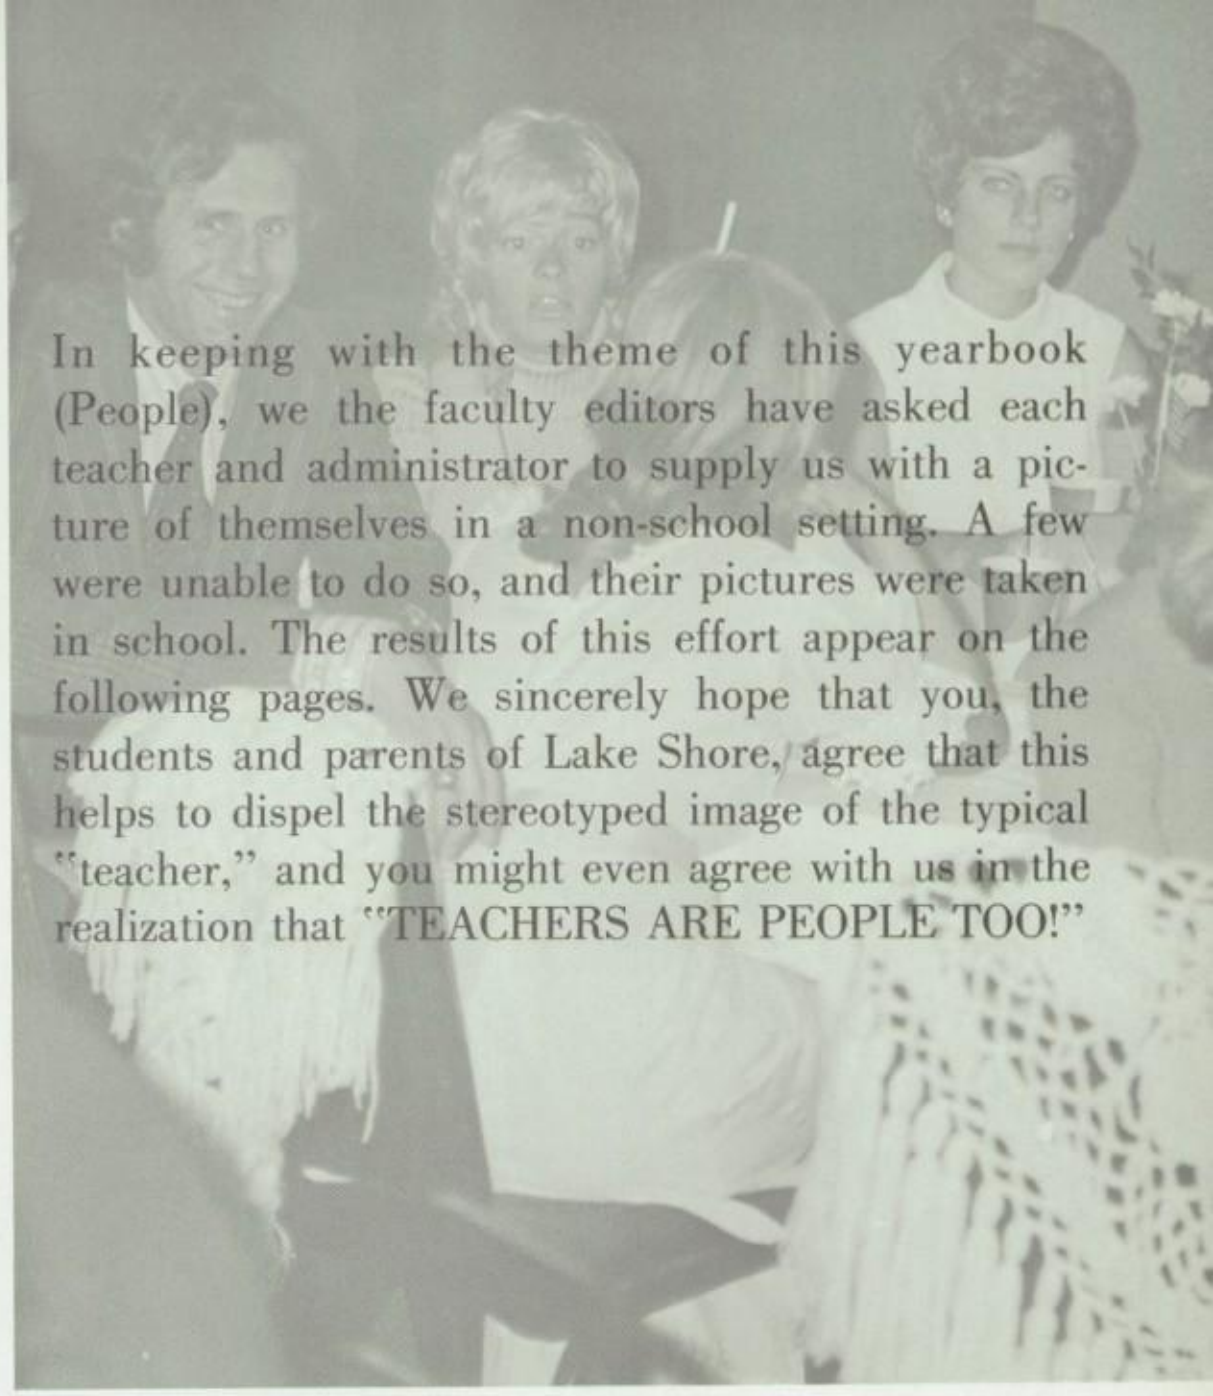
# FACULTY







In keeping with the theme of this yearbook (People), we the faculty editors have asked each teacher and administrator to supply us with a picture of themselves in a non-school setting. A few were unable to do so, and their pictures were taken in school. The results of this effort appear on the following pages. We sincerely hope that you, the students and parents of Lake Shore, agree that this helps to dispel the stereotyped image of the typical "teacher," and you might even agree with us in the realization that "TEACHERS ARE PEOPLE TOO!"

# Shorians Have a Winning Year!

## Bi-County Title and District Champs

It was the coach, Mr. Herb Rummler, that lead the Lake Shore Varsity Basketball team to victory. The Varsity basketball team's record was 20 wins, 5 losses for the 72-73 season. This resulted in a tie with Grosse Pointe for the Bi-County title and the District Championship. These victories also gave Lake Shore the title of "Team of the Year." Mr. Rummler was chosen Macomb County Class A "Coach of the Year." The climax of the season came when we played Southeastern only to lose by the score of 78-52. It was a well played game and everyone in the audience from Lake Shore at the end of the game was proud to say that they were from Lake Shore High School.

The purpose of the next four pages is to cover ativities and individuals that aren't normally acknowledged in the yearbook. We wish to apologize to the organizations we neglected to feature.

## Explorers

The Lake Shore Explorer Post 1422 again ran the annual Spring Carnival (aided by AFS) and conducted a paper drive at Christmas to help some needy families. During October they held a 50 mile canoe race which was won by Mark Spinozzi and Don Verbeke, and another race in May which was won by Bob Molloy and Mark Smith. The Explorer Post was greatly aided by their advisor, Mr. George Crellin whose help made many of these events possible.

Patience hath no man like the advisor.

In the Regional Drafting competition the following L.S. students received recognition: Jim Vissotski and John Donahue received second place in architectural drafting. Receiving second place in the T. and I. drafting competition were Jeff Killewald and Tom Artes. Don Verbeke placed third in architectural drafting. Fourth place was attained by Bill Sobolewski and Larry Riley. In addition Don Verbeke and Briam Broughton received honors for outstanding achievement in Architectural drafting.

## Debate Team Adds Plaque to Its Collection

For 1972-1973 L.S.'s Debate team received first place in the Lake Side Debate League. Laura Redoutey was given first place trophy as the best debator for the Macomb area. Debbie England was chosen third place speaker in the Macomb area. Members of the Debate team were Mike Dennis, Laura Redoutey, Michelle Troia, Debbie England and Hunter Morison.

In Forensics Wes Harris placed first in Humorous Interpretations and Bart Rublico placed second. Gail Allen and Keith McKenzie both gave Radio Broadcasting readings. In Multiple Readings Dave Morgan placed first and his teammates were Laurie Morgan, Diane Krease and Rose Orlando. A serious interpretation was given by Sue Miller.

## Student Congress Acts

Once again, this year the Student Congress sponsored our Homecoming Week. The week ended with the crowning of the queen Peggy Mulcahey. Another activity the congress sponsored was the Talent Show. Bart Rublico, Cromwell band took first place honors. This year marked another first for the Congress with coffee and doughnut sales every Monday and Friday. The idea was credited to Mark Procida and Dave Barnowske.

The Seniors elected most active by the congress were; Mike Procida, Augie Messana, Linda Jamieson and Rose Orlando.
